Rustic & Mat Finish Brushes

Silicon Carbide impregnated nylon brushes from du-point are uniquely treated and bonded for superior Rustic and Mat Finish on vitrified ceramics.

Bonding and spacing of bristles makes product different from commonly available product in the market.

Rustic and Mat Finish made from CUMI brushes ensures scratch and gloss free surface with unique finish, leaves architects go after this.

Features	Advantages	Benefits
Original du-point bristles	Consistent superior performance	Faster work and better finish
Automated fixing and bonding	Better holding and spacing	Better utilization and low costing
Universal holders	Adaptability	Suits for all standard machines
